# Foreword

I AM honoured to present the Annual Report of the Agricultural Scientists Recruitment Board (ASRB) for the period spanning from April 1, 2022, to March 31, 2023. A detailed account of the significant activities and accomplishments during this year can be found in various sections of the report.

During this period, we conducted interviews for a large number of positions, including one hundred and two Research Management Positions (RMP), marking a historic milestone for ASRB. To enhance objectivity, we have revamped the scorecard for direct selection to Non-RMP positions through lateral entry in ICAR. In addition to RMP posts, interviews were also conducted for thirty Non-RMP positions. A total of 2,799 applicants vying for these 132 positions. These positions encompassed roles such as Deputy Director General, Assistant Directors General, Directors, Project Directors, Joint Directors, Project Coordinators, and Heads of Divisions/Heads of Regional Stations of Institutes. The recruitment process for other positions is still going on and will be completed very soon.

The Board advertised 368 posts for direct selection including RMP and Non-RMP positions. These posts are categorized as follows: 5% were Research Management Positions (Deputy Director General, Directors of National Institutes, Assistant Directors General, Directors of Institutes other than National Institutes, and Joint Directors), 80% were middle-level positions (Non-RMP) (Heads of Division / Heads of Regional Stations and Project Coordinators), and the remaining positions were Senior Scientists cum Heads of Krishi Vigyan Kendras (KVKs).

Besides, on the basis of main examination of ARS and viva-voce were held from Dec. 9-20, 2022, A total of 208 candidates, across 47 disciplines, have been recommended for appointment to entry-level scientific posts in the Indian Council of Agricultural Research (ICAR). The Tier-I examination of AO and F&AO was conducted on May 10, 2022, and May 21, 2022, in online computer-based (CBT) mode to fill 44 vacancies of Administrative Officer (AO) and 21 vacancies of Finance & Accounts Officer (F&AO).

During the year, we diligently processed and recommended 47 proposals in 26 disciplines under the Career Advancement Scheme (CAS) of ARS Scientists for placement of Senior Scientist to the grade of Principal Scientist. Approximately 95.74 percent of the candidates were promoted on time, while 2.13 percent experienced deferred promotions to the next higher grade and remaining could not be promoted.

I would like to express my sincere gratitude to Honorable Shri Narendra Singh Tomar Ji, Union Minister of Agriculture and Farmers Welfare; Honorable Union Minister of Fisheries, Animal Husbandry & Dairying, Shri Parshottam Rupala Ji; Union Minister of State for Agriculture and Farmers Welfare, Shri Kailash Chaudhary Ji; and Sushri Shobha

Karandlaje Ji for their visionary guidance, constant support, and encouragement. I also extend my thanks to Dr T. Mohapatra, the then Secretary, DARE, and Director General, Indian Council of Agricultural Research (ICAR); Shri Sanjay Garg, Additional Secretary (DARE) & Secretary ICAR; and Mrs. Alka Arora, Additional Secretary & Financial Advisor (DARE/ICAR) for their continued help and support in all our endeavours at ASRB.

I am deeply grateful for the contribution and support of my colleagues at ASRB, including Dr Shiv Prasad Kimothi, Member (AS); Dr Major Singh, Member (PS); Dr B. S. Dwivedi, Member (NRM); Dr Pramod Kumar Meherda, Secretary, ASRB; Shri Rajinder Kumar, Director, ASRB; and all the other officers and staff who played instrumental roles in the successful completion of the aforementioned activities.

**(Himanshu Pathak)**  
Secretary (DARE),  
Director General (ICAR) &  
Chairman, ASRB (Additional charge)

## Executive Summary

ASRB has always strived to identify and recommend the most talented individuals according to ICAR's specific requirements. The Annual Report for the period of 2022-23 holds particular significance as it marks the first-ever conduct of interviews for one hundred and two Research Management Positions (RMP) in the history of ASRB.

During this period, the Board advertised 368 Research Management Positions (RMP) and Non-RMP posts through Advt. No.1/2022 and Advt. No. 2/2022. These positions included Deputy Director General, Directors of National Institutes, Assistant Directors General, Directors of institutes other than National Institutes, Joint Directors of National Institutes, Project Coordinators, Heads of Division/Heads of Regional Stations, and Senior Scientists cum Heads of KVKs. The Board conducted interviews for 132 posts, including one Deputy Director General, nineteen Assistant Directors General, seventy Directors, two Project Directors, nine Joint Directors, seven Project Coordinators, and twenty-three Heads of Division / Heads of Regional Stations. A total of 2586 applications were received against 102 RMP positions, 924 were called for interview while only 684 appeared. For 30 Non-RMP positions, 213 candidates applied, out of which 169 were called while only 117 appeared for interview. This shows that on an average per post 25 candidates applied for RMP positions while 7 candidates applied for Non-RMP positions.

Following the Agricultural Research Service (Main) examination was held on November 28, 2021 and Viva-voce was conducted from December 9, 2022, to December 20, 2022. A total of 208 candidates across 47 disciplines were recommended for entry-level scientific posts under ICAR. Out of the 222 advertised vacancies, 14 posts could not be filled due to unavailability of suitable candidates. All vacancies could not be filled in the following disciplines: Plant Biochemistry, Dairy Chemistry, Dairy Microbiology, Dairy Technology, Agricultural Business Management, Agricultural Extension, Electronics & Instrumentation, Agricultural Structures and Process Engineering, and Textile Manufacture & Technology.

The promotions under Career Advancement Scheme (CAS) for ARS Scientists were carried out well within the time frame as per schedule of the Board. In all, 47 proposals across 26 disciplines for placement from Senior Scientists to the grade of Principal Scientists were processed and recommended. About 95.74 percent scientists were promoted while 2.13 percent had their promotions deferred to the next higher grade. Only 2.13 percent could not be promoted.

Transparency serves as a distinguishing feature for any organization particularly for a national recruiting agency like ASRB. The Board has established internal

scrutiny mechanisms to ensure objectivity, transparency, and quality at all levels, whether it be screening candidate work profiles, interviews, examination processes, or empanelment of advisors/examiners/paper setters/evaluators. Special efforts were made during this period to regularly update, expand and digitize the question bank.

ASRB diligently implemented the Official Language (OL) Policy of the Government of

India. Candidates were provided with all necessary assistance and facilities, including the option to use the Official Language during interviews.

Regarding matters related to grievances or cases involving ASRB that were admitted or examined by various courts of law, no instances of strictures, adverse comments, or observations were made against the decisions of the Board.

## Historical Background

The Agricultural Scientists Recruitment Board (ASRB) was established in 1973 by the Government of India as an independent recruitment body under the Indian Council of Agricultural Research (ICAR). Since August 2018, ASRB is functioning as an attached office of the Department of Agricultural Research & Education (DARE) under the Ministry of Agriculture & Farmers' Welfare, Government of India.

As per mandate, its primary role is to recruit high-quality scientists and management personnel for ICAR and its research institutes nationwide. ASRB also assists and advises the Council in developing and implementing policies related to human resource induction and development, including Career Advancement Schemes for ARS Scientists. Throughout its existence, ASRB has consistently strived to improve talent search strategies to meet the evolving needs of the National Agricultural Research and Education System (NARES).

## Mandate

ASRB's mandate is to provide the best human resources to fill up various positions in ICAR and its Institutes across the country. Initially, as per the Cabinet decision, the Board was assigned the following responsibilities:

- ◆ Recruitment to posts in the Agricultural Research Service (ARS) of ICAR and to such other posts and services as the President, ICAR, may specify from time to time.

- ◆ Rendering such other assistance to the Council in personnel matters, including promotions as may be required by the President, ICAR.
- ◆ Advising the Council on disciplinary matters relating to personnel recruited through ASRB or appointed by the Council in consultation with the Board.

Subsequently, after creation of ARS as an All-India Service, following additional responsibilities were also assigned to the Board:

- ◆ Recruitment to the entry level scientists grade of ARS through an All-India Competitive Examination.
- ◆ Induction of existing scientists of ICAR to ARS under initial constitution of the ARS.
- ◆ Assessment for merit promotion and grant of advance increments to scientists of ARS.

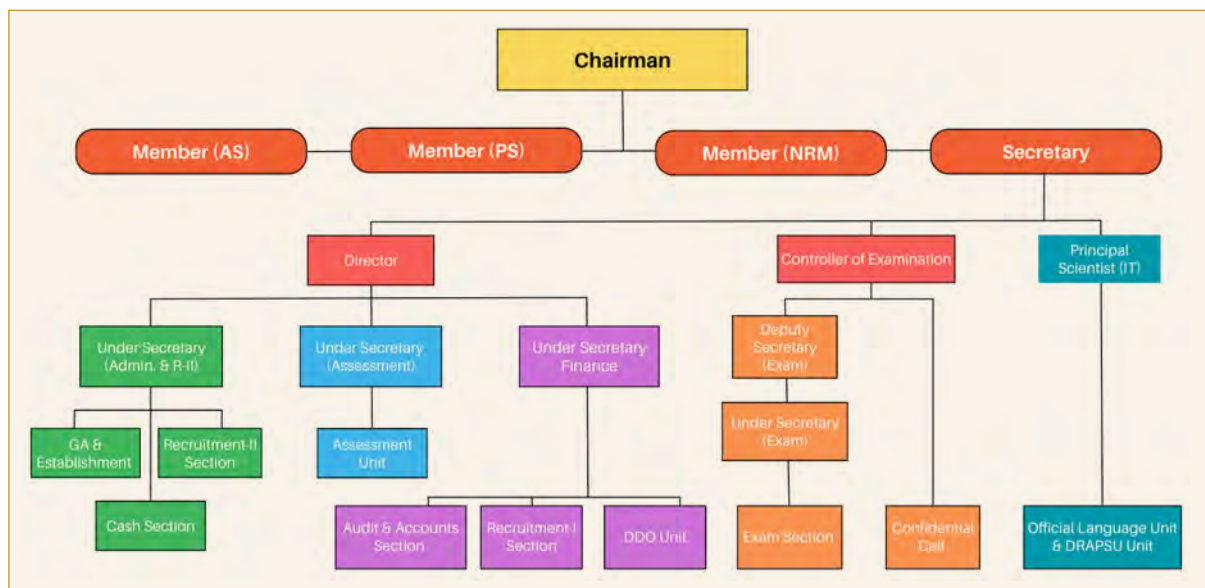

Additionally, ASRB is entrusted with the recruitment of Technical Service, Administrative and Accounts Management Posts, such as Administrative Officers/Finance & Accounts Officers and Assistant Directors (Official Language).

The Board also conducts the National Eligibility Test (NET) in 60 approved disciplines, which is a prerequisite for candidates seeking appointment as Assistant Professor/Lecturer in State Agricultural Universities (SAUs).

## Organization

The Board comprises of a Chairman and three Members assisted by a Secretary in the Joint Secretary grade to effectively discharge its responsibilities. Besides, the Board has also proposed one post of each Senior Expert (IT)

Principal Scientist, Controller of Examination, Director, four Deputy Secretaries/ Deputy Director (Finance) along with other financial, administrative and technical functionalities. The restructured organogram of ASRB is shown as under:

Total sanctioned strength of regular officers and staff of the Board as on 31<sup>st</sup> March, 2023 was 84 (Appendix I). Against sanctioned strength, 42 regular employees were in position. List of officers and staff of the Board actually in position during the period from 1<sup>st</sup> April, 2022 to 31<sup>st</sup> March, 2023 is given in Appendix II.

## Expenditure

The Board has incurred an expenditure of ₹2,904.06 lakh during the period from 1<sup>st</sup> April, 2022 to 31<sup>st</sup> March, 2023 and revenue received from various sources mainly applications fee is ₹85.54 lakh. Details of receipts and expenditure are given in Appendix III.

## Activities

In discharging its mandated functions, the Board undertook various activities. A detailed account of these activities and

accomplishment made during the past five years is presented in Appendix IV.

## Summary of activities during 2022-23

	Activities	Number
<b>I.</b>	<b>Recruitment by Interview (Direct Recruitment)</b>	
	• Posts for which recruitment action was pending from previous years	84
	• Posts for which requisitions were received during the current year	380
	• Posts withdrawn by ICAR	4
	• No. of posts advertised	368
	• Posts for which recruitment action has been completed	132
	• Applications received for various posts	2,799
	• Candidates called for interview	1,093
	• Candidates interviewed	801
	• Cases where no candidate attended interview	1
	• Applications screened for various posts advertised during the year	2,799
	• Posts for which recruitment action is in progress	319

	Activities	Number
<b>II.</b>	<b>Recruitment by Examinations</b>	
<b>(i)</b>	<b>ARS Examination – 2021</b>	
	• Number of candidates qualified for main examination	2,792
	• Number of candidates appeared in main examination	2,437
	• Number of candidates recommended against 222 vacancies	208
<b>(ii)</b>	<b>Administrative Officer and Finance &amp; Account Officer Examination-2021</b>	
	• Number of vacancies notified	65
	• Number of candidates qualified for Tier- II examination:	
	(i) Administrative Officer	882
	(ii) Finance & Account Officer	421
<b>III.</b>	<b>Assessment</b>	
	• Assessment of Senior Scientist for Principal Scientist grade under revised CAS	47
	• Induction	0
<b>IV.</b>	<b>Committees constituted</b>	
	• Constitution of Departmental Promotion Committees for Career Advancement of ARS Scientists.	84
	• Constitution of Departmental Promotion Committees for Technical Cadre Posts	89

## Important events

### ASRB Board meetings

Meetings of the Board were held regularly during the period to discuss important matters and issues pertaining to recruitment and assessment.

## Cleanliness Drive

As a leading recruitment agency, the Board attracts a significant number of experts and candidates from across the country who visits for interviews and other activities. To ensure the well-being of these visitors, the office premises are cleaned at regular intervals throughout the day, creating a hygienic and healthy environment. During the special campaign, the Board took the following initiatives:

1. Organised two programs on Swachhta Campaign on 07.10.2022 and 28.10.2022 for cleanliness drive. All staff members including Members of the Board participated in the program.
2. Motivated the staff to keep the office premises and their rooms clean.
3. Honoured the dedicated Safai Karamchari (sweepers) during this campaign.
4. Achievement data form was regularly filled and submitted to DARE.
5. Around 1.65 Tonnes of scrap material (application folders) was disposed off as per record retention schedule and revenue of ₹47,524/- was generated.
6. About seven quintals of old electronics goods were auctioned through GEM portal and revenue of ₹2,09,000/- was generated.
7. Approximately 300 Sq. Feet space was freed. This space will be utilized for other official activities like providing sitting place to staff, waiting area for visitors etc.

Swachhta campaign for cleanliness drive

**Citizen Centre Initiative**

Improved facilities in the waiting area for candidates called for interviews.

### New office building of ASRB

The construction of the new office building in the Pusa premises is nearing completion. Situated on a plot area of approximately 1.5 acres, this modern structure has been meticulously built in accordance with the GRIHA-5 star rating standards. It boasts a range of essential contemporary amenities, including CCTV surveillance, a state-of-the-art fire suppression system, LAN and Internet connectivity, and video conferencing capabilities.

Furthermore, the building incorporates a water harvesting system, demonstrating its commitment to sustainable practices. Designed with eco-friendliness and energy efficiency in mind, it serves as a shining example of responsible construction.

Anticipated progress suggests that the Board will relocate to its new headquarters by the end of this year. This significant milestone marks a new chapter in the organization's journey, as it moves into a cutting-edge facility that promotes productivity, sustainability, and technological advancement.

Proposed new office building of ASRB

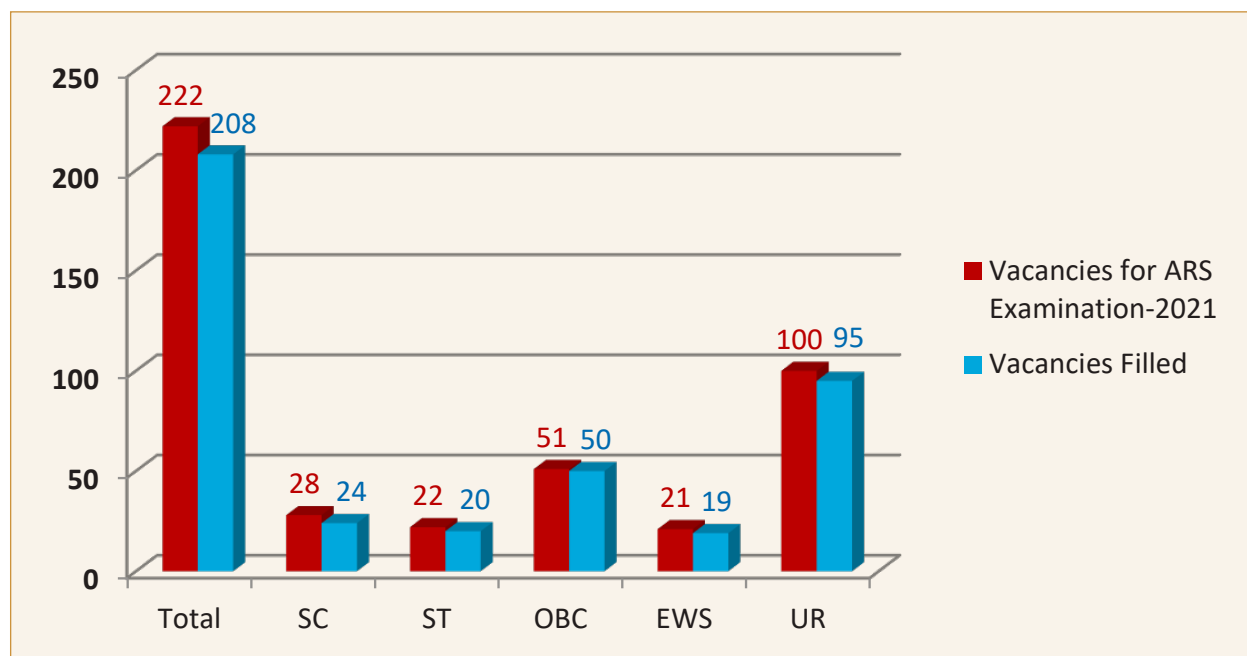

# Examinations

## ARS Examination - 2021

Based on the result of ARS (Preliminary) Examination, a total of 2,792 candidates qualified for the ARS main examination, out of these only 2,437 candidates actually appeared for the examination. The Agricultural Research Service (Main) examination, conducted by ASRB on 28<sup>th</sup> November, 2021, was followed by Viva-voce held from 9<sup>th</sup> December, 2022 to 20<sup>th</sup> December, 2022. As a result of this process, a total of 208 candidates across 47 disciplines have been recommended for entry-level scientific posts under ICAR.

Among the advertised 222 vacancies, recommendations were made for only 208

posts due to the unavailability of suitable candidates. Further analysis of the data revealed that all vacancies in all disciplines were filled, except in the following nine disciplines: Plant Biochemistry, Dairy Chemistry, Dairy Microbiology, Dairy Technology, Agricultural Business Management, Agricultural Extension, Electronics & Instrumentation, Agricultural Structures and Process Engineering, and Textile Manufacture & Technology. For more detailed information on the ARS examination, please refer to Appendix-V. Category wise breakup of candidates recommended in ARS examination is shown in the figure given below:

Category wise breakup of candidates recommended in ARS examination

View of ARS Viva Voce Board in progress

### Administrative Officer (AO) and Finance & Accounts Officer (F&AO) Examination 2021

The Tier-I examination (objective test) of Administrative Officer and Finance & Accounts Officer, conducted on 10<sup>th</sup> May, 2022 and 21<sup>st</sup> May, 2022, aimed to fill 44 vacancies for Administrative Officer (AO) and 21 vacancies for Finance & Accounts Officer (F&AO) in online computer-based (CBT)

mode. A total of 882 candidates qualified for the post of Administrative Officer, while 421 candidates qualified for the post of Finance & Accounts Officer, progressing them to the Tier-II examination. The Tier-II examination (descriptive test) took place in the conventional pen and paper format from 28<sup>th</sup> to 30<sup>th</sup> December, 2022 across the country. Remaining processes of the examination is currently in progress.

### Details of vacancies advertised for Administrative Officer (AO) and Finance & Accounts Officer (F&AO)

### Recruitment of candidates belonging to SC/ST/OBC/EWS and PwBD categories

The Board recommended the candidates belonging to Scheduled Caste (SC), Scheduled Tribe (ST), Persons with Benchmark Disabilities (PwBD), Other Backward Classes

(OBC) and Economically Weaker Section (EWS) for the posts of Scientist as per rules of ICAR/Government of India. Breakup of selected candidates and number of vacancies advertised in each category are as follows:

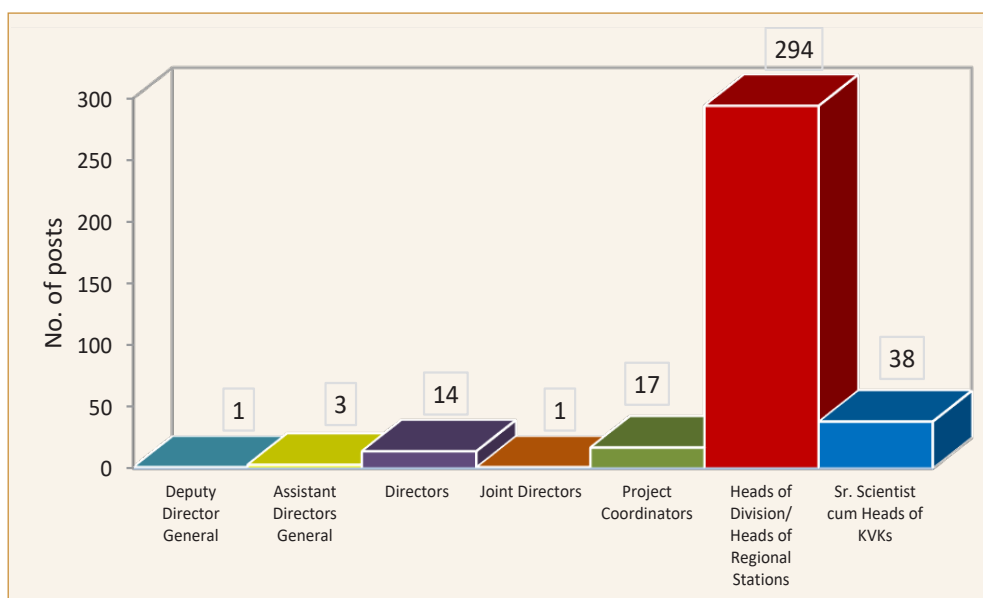

### Agricultural Research Service (ARS) Examination-2021

Category	Vacancies Advertised	Actually filled	Remarks
EWS	21	19	Remaining vacancies could not be filled due to non-availability of suitable candidates
SC	28	24	
ST	22	20	
OBC	51	50	

## Direct Recruitment/Lateral Entry

During the period, the Board released advertisements (Advt. No.1/2022 dated 30<sup>th</sup> Sept., 2022 and Advt. No.2/2022 dated 3<sup>rd</sup> Oct., 2022) for direct recruitment of 368 Research Management Positions (RMP) and Non-RMP posts. These positions included Deputy Director General, Directors of National

Institutes, Assistant Directors General, Directors of institutes other than National Institutes, Joint Directors of National Institutes, Project Coordinators, Heads of Division/Heads of Regional Stations, and Senior Scientist cum Heads of KVKs. The following breakdown provides the position-wise distribution of the various posts advertised during the year 2022-23.

Details of posts advertised for RMP and Non-RMP

The Board successfully concluded the interview process for a total of 132 posts (as listed in Appendix VI). These positions included one Deputy Director General, nineteen Assistant Directors General, seventy

Directors, two Project Directors, nine Joint Directors, seven Project Coordinators, and twenty-three Heads of Division/Heads of Regional Stations of Institutes.

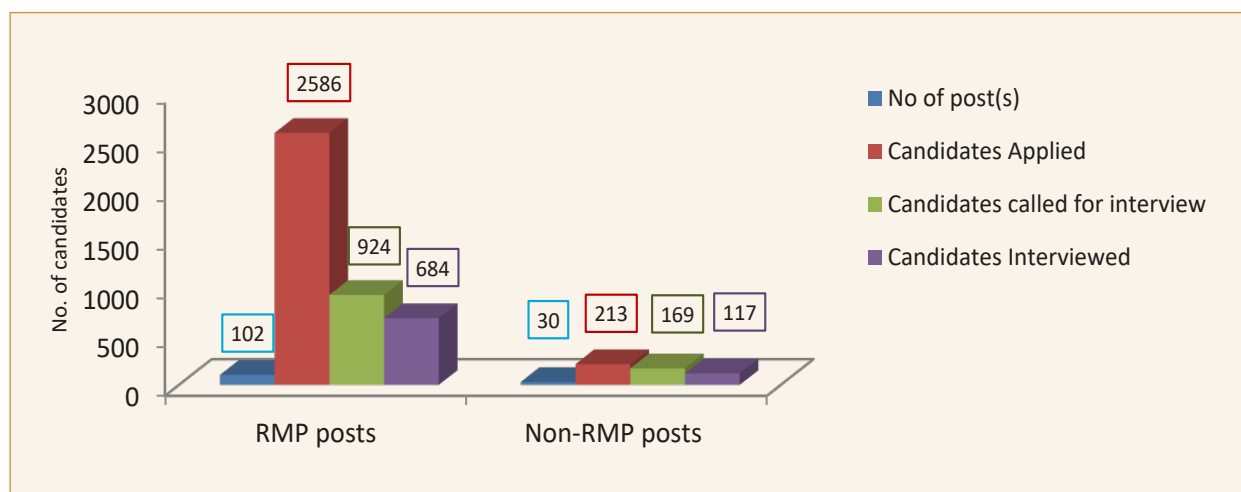

## Summary of Direct Recruitment process completed during the period

Category	No of post(s)	Candidates Applied	Candidates Called for Interview	Candidates Interviewed
<b>RMP positions</b>				
Deputy Directors General	1	9	9	9
Assistant Directors General	20	692	179	114
Directors	70	1626	627	481
Joint Directors	9	195	89	68
Project Directors	2	64	20	12
<b>Total (A)</b>	<b>102</b>	<b>2586</b>	<b>924</b>	<b>684</b>
<b>Average per post availability of candidates (A)</b>		<b>25.35</b>	<b>9.06</b>	<b>6.7</b>

Category	No of post(s)	Candidates Applied	Candidates Called for Interview	Candidates Interviewed
<b>Non-RMP positions</b>				
Project Coordinators	7	86	58	35
Heads of Divisions/ Heads of Regional Stations	23	127	111	82
<b>Total (B)</b>	<b>30</b>	<b>213</b>	<b>169</b>	<b>117</b>
<b>Average per post availability of candidates (B)</b>		<b>7.1</b>	<b>5.6</b>	<b>3.9</b>
<b>Overall (RMP + Non-RMP)</b>				
<b>Total (A+B)</b>	<b>132</b>	<b>2799</b>	<b>1093</b>	<b>801</b>
<b>Average per post availability of candidates (A+B)</b>		<b>21.20</b>	<b>8.28</b>	<b>6.07</b>

Overall, the Board carefully reviewed and screened a total of 2,799 applications and shortlisted 1,093 candidates for interview. Out of the invited candidates, 801 individuals attended the interview sessions. According to the established rules, the Board extends

interview invitations to the top ten ranking candidates who obtained the minimum qualifying marks in the scorecard evaluation for each post. However, on an average, approximately 6.07 candidates were available for interview per post.

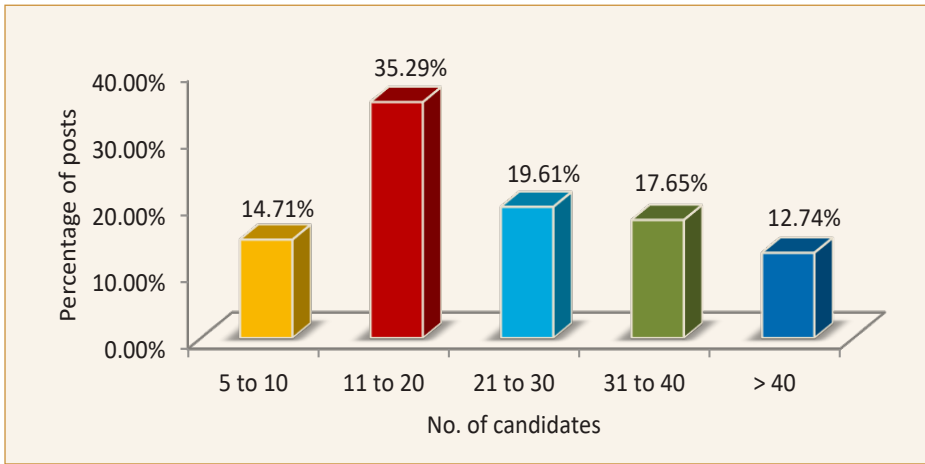

Details of direct selection for RMP and Non-RMP posts

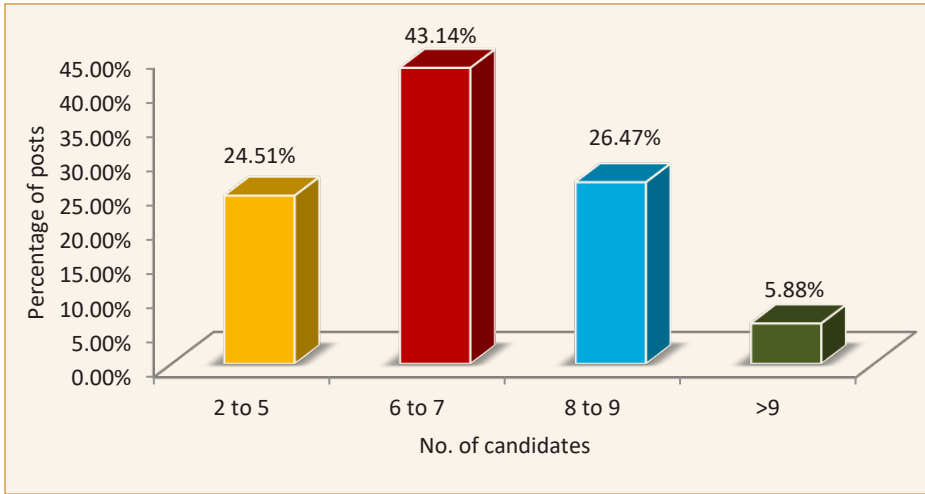

Based on the analysis, out of a total of 102 RMP posts, it was found that for 15 posts (14.71%), there were 5-10 candidates who applied. Similarly, for 36 posts (35.29%), there were 11-20 candidates who applied, and for 20 posts (19.61%), there were 21-30 candidates who applied. In the case of 18 posts (17.65%), 31-40 candidates applied, while for 13 posts (12.74%), there were more than 40 candidates who applied. It was also observed that for certain common positions such as

ADG (HRM), ADG (Coordination), ADG (NASF), ADG (International Relation), and Director (ICAR Research Complex, Patna), the number of applicants exceeded more than 60.

On an average, for 25 posts (24.51%), only 2-5 candidates were interviewed for RMP posts. Similarly, for 44 posts (43.14%), only 6-7 candidates were interviewed, and for 27 posts (26.47%), only 8-9 candidates were interviewed. For the remaining 6 posts (5.88%) had more than 9 candidates were interviewed.

No. of candidates applied per post for RMP posts

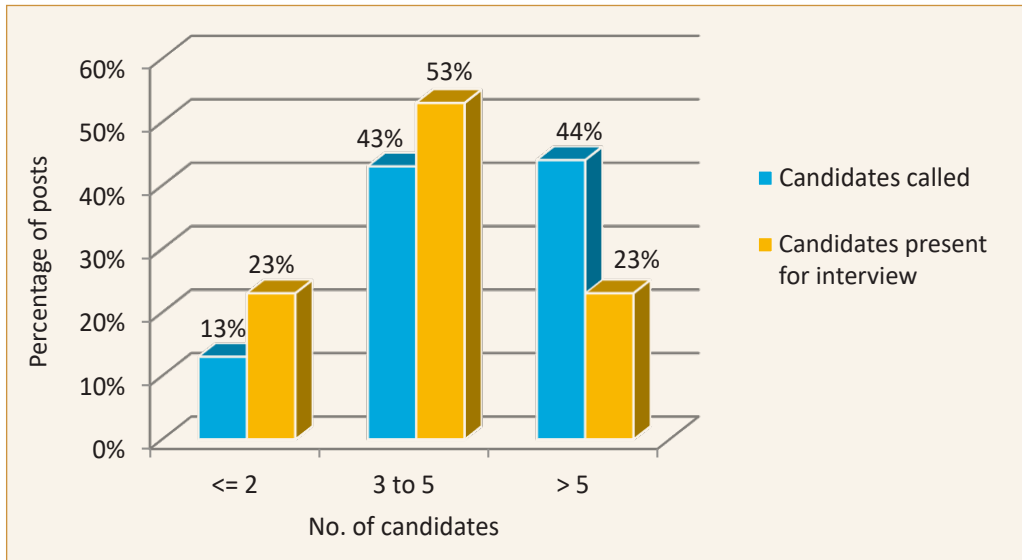

No. of candidates interviewed per post for RMP posts

On an average, for 30 Non-RMP posts, approximately 1-5 candidates applied for 50% of the positions. Similarly, 6-10 candidates applied for 30% of the posts, and more than 10 candidates applied for 20% of the positions.

Among these applicants, for 23% of the posts, two or fewer candidates were interviewed by the Board, for 53% of the posts, 3-5 candidates were interviewed, and for 24% of the posts, more than 5 candidates were interviewed.

No. of candidates applied for Non-RMP posts

No. of candidates called and interviewed for Non-RMP posts

## Assessment/Promotion of Sr. Scientists under Revised Career Advancement Scheme

During the year, 47 proposals in 26 disciplines were received from different ICAR institutes for promotion/assessment from

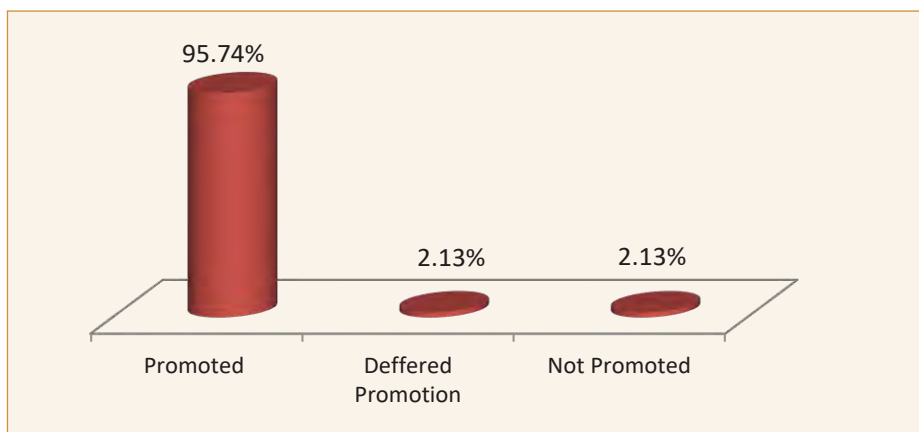

Senior Scientist to the grade of Principal Scientist under revised Career Advancement Scheme (CAS). Out of which 47 proposals (Appendix VII) were assessed and its recommendations sent to the Council. Major disciplines wise breakup of CAS proposals is as follows:

Major disciplines wise breakup of proposals assessed

As per outcome of assessment of 47 cases, 95.74 percent candidates got promotion from due date and 2.13 percent deferred promotion

to the next higher grade and rest of the cases were could not promoted to the next higher grade.

Assessment of Senior Scientists to the grade of Principal Scientists under Career Advancement Scheme (CAS)

### Career Advancement Scheme (CAS) for ARS Scientists (RGP ₹6000 to ₹9000) and Assessment Promotion of Technical Personnel

In accordance with the scheme and rules of Career Advancement Scheme (CAS) for ARS Scientists, the Chairman, ASRB nominated Chairman of various assessment committees to consider the cases of promotion of scientists in the ICAR institutes. Besides this, nominations were also made by the Chairman, ASRB for constitution of assessment committees for considering the promotion cases of technical cadre staff working in ICAR Hqrs. and its institutes across India.

#### Assessment/ Promotion of Technical Personnel

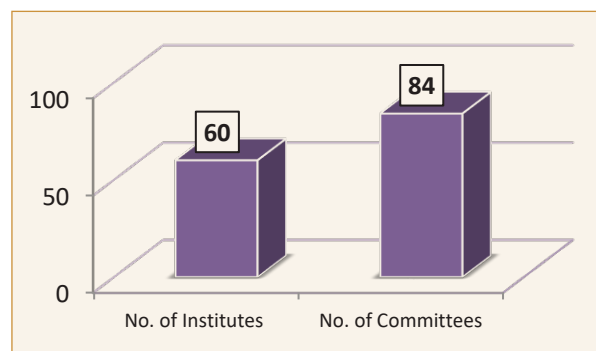

The Board nominated experts for 89 assessment committees for promotion of technical staff in 61 institutes including ICAR Hqrs. Details are given in Appendix VIII.

Details of assessment committees for technical personnel

#### Assessment/ Promotion of Scientists

The Board finalized and notified nomination of experts for 60 institutes for constitution of 84 Departmental Promotion Committees (DPCs) for assessment of scientists from RGP ₹6,000 to ₹7,000, from RGP ₹7,000 to ₹8,000 and from RGP ₹8,000 to ₹9,000. Details are given in Appendix IX.

Details of assessment committees for Scientists

## Revision of Scorecard-2022

During the year, the scorecard for direct selection to Non-RMP Positions through lateral entry in ICAR has undergone a comprehensive

revamp to enhance its objectivity. The revised scorecard incorporates significant features, which are outlined below:

## Summary of Scorecard for the post of Head of Division (HOD)/Head of Regional Station (HoRS)/Project Coordinator (PC), Principal Scientist and Senior Scientist

Item No.	Attributes/Accomplishments/Contributions/ Performance Indicator and Distribution of score/marks	Maximum marks		
		Head of Division (HOD/ Head of Regional Station (HoRS)/Project Coordinator (PC)	Principal Scientist	Senior Scientist
1.	Academic Achievement	04	08	08
2.	Experience in Professional Field	04	-	-
3.	Recognitions & Awards/ Special attainments	10	10	06
4.	Discoveries, Inventions, Innovations, Technologies and Products	12	10	10
5.	Teaching/ Research/ Extension	14	14	17
6.	Publications	18	20	20
7.	Service Functions	03	03	03
8.	Service in Remote/difficult areas	02	02	03
9.	APAR	03	03	03
	<b>Grand Total</b>	<b>70</b>	<b>70</b>	<b>70</b>

## Weightage of marks for direct recruitment

S. No.	Non-Research Management Positions (Non-RMPs)	Score card Marks	Interview Marks	Total
1.	Head of Division (HOD)/Head of Regional Station (HoRS)/Project Coordinator (PC), Principal Scientist and Senior Scientist	70	30	100

### Revision of Application Form for the post of Head of Division (HOD)/ Head of Regional Station (HoRS)/Project Coordinator (PC), Principal Scientist and Senior Scientist

Online application forms for direct recruitment for Non-RMP positions have been revised in consonance with revised

scorecard and were made applicable from Advt. No. 02/2022. Web based application software has been developed to apply online and for screening of applications as per the revised scorecard. The application software is named as OASIS (Online Application & Scorecard Information System) and can be accessed online on URL- <https://asrbapplication.in>.

## Right to Information Act-2005

In compliance with Section 4 of the RTI Act 2005, the ASRB website ([www.asrb.org.in](http://www.asrb.org.in)) has regularly provided up-to-date information related to recruitment and assessment. Following the guidelines of the Government of India, ASRB is dedicated to ensuring transparency in examinations, recruitments, assessments, and the selection process. The implementation of the Right to Information Act, 2005 is rigorously followed and upheld.

To facilitate the handling of information requests and appeals, the Board has appointed five Central Public Information Officers

(CPIOs) and four Appellate Authorities. These individuals effectively manage and respond to various queries and appeals received under the RTI Act, within the prescribed time frame as per the provisions of the Act. As a responsible “Public Authority”, the Board takes appropriate and necessary action in this regard.

During the reporting period, the Board received a total of 365 RTI cases, primarily concerning the following matters: disclosure of expert names, bio-data of candidates called for interviews in senior scientific positions, marks obtained in screening and interviews, screening procedures for direct recruitment

## Summary of cases processed in compliance of RTI Act- 2005 during 2022-23

Block I. (Details about the requests and appeals)

posts, marks awarded by the assessment committee, marks secured by other applicants in various examinations and recruitments, answer sheet evaluation process, examination answer keys, photocopies of answer sheets and OMR sheets, question papers of previous examinations, proactive orders and decisions of the Board, implementation of Section 4 of the RTI Act within the Board, details of outsourced manpower, information regarding awarded tenders by the Board, and information regarding the Administrative Officer and Finance & Accounts Officer Examination - 2021.

All cases filed in the Central Information Commission (CIC) were successfully disposed of to the satisfaction of all concerned parties, with appropriate replies provided by the Board. Further details of these cases are provided in table:

### Centralized Public Grievance Redress and Monitoring System (CPGRAMS)

During the specific period, the Board received a total of 92 grievances. The majority of the queries raised by applicants were related to direct selection to RMP and Non-RMP positions through lateral entry in ICAR, as well as recruitments through various examinations such as LDC Examination-2017, NET/ARS/STO Examination-2021, and AO & F&AO Examination-2021. The Board effectively resolved all the grievances to the satisfaction of the individuals involved. Notably, grievances were received from only nineteen states, including territorial states. Further details regarding the grievances received from each state are provided below:

State wise details of Grievances received during the year 2022-23

# Progressive use of Hindi (Rajbhasha)

ASRB is dedicated to promoting the progressive use of Hindi within its office, in alignment with the targets set in the annual official language program 2022-23, as per the official language policy of the Department of Official Language, Ministry of Home Affairs, Government of India. The Board ensures strict adherence to the provisions of the Act and Rules, ensuring that circulars, reports, question papers, and other documents meet the bilingual requirements.

Key points highlighting the Board's commitment to Hindi usage are as follows:

- Nearly all officers and staff working in the Board possess a working knowledge of Hindi.
- The staff has access to helpful literature, including an Agriculture Glossary, standard letters/drafts in Hindi, and Hindi equivalents of common sentences.
- Hindi versions of examination rules, notices, instructions to candidates, admission certificates, test booklets, answer sheets, question papers, application forms, attendance sheets, and attendance lists are printed along with the English versions.
- Advertisements issued by the Board are published in both Hindi and English in leading newspapers across the country, including 'Rozgar Samachar.'
- All computer keyboards in the office have features of Devanagari script.
- An English-Hindi dictionary of important technical terms used in agricultural education/research has been made available for the benefit of paper setters/translators.
- Candidates have the option to use Hindi as the medium in all competitive examinations and during interviews at the Board.

- ASRB website: [www.asrb.org.in](http://www.asrb.org.in), is bilingual, featuring content in both English and Hindi.

## Quarterly meetings of Official Language Implementation Committee (OLIC)

Regular quarterly meetings of the Official Language Implementation Committee (OLIC) have been conducted under the chairmanship of the ASRB Chairman. However, in the absence of a regular Chairman, meetings were chaired by the Chairman of the official language implementation committee, who serves as the Nodal Officer for implementing the official language policy within the Board. Four meetings were held in June, August, December, 2022, and March, 2023, where various issues related to official language implementation were discussed and decisions were made.

## Quarterly Report on Official Language Implementation

The quarterly report of ASRB for the period ending 31<sup>st</sup> March 2023 demonstrates the following:

- The performance of official language implementation under Section 3(3) was 100%. Additionally, the replies to letters sent by ASRB to A and B regions were also 100%.
- Correspondence in Hindi with region A and B was 100%, while in region C it was 99.55%. The target for region C was 65%.
- Overall performance in noting in Hindi was 94.14%, surpassing the set target of 75%.

## Reports related to Official Language Policy

- Quarterly Progress Reports regarding use of Rajbhasha in the Board have been sent to the Department of Official Language, Ministry of Home Affairs, Govt. of India.

Quarterly meetings of Official Language Implementing Committee (OLIC)

- Annual Assessment Report and Quarterly Progress Reports regarding use of Rajbhasha in the Board have been sent to the Department of Agricultural Research and Education (DARE).
- Half yearly progress reports regarding use of Rajbhasha in the Board have been sent to the Town Official Language Implementation Committee (TOLIC), North Delhi.

### Celebration of Hindi Pakhwada

During the year, “Rajbhasha-Hindi Pakhwada” was celebrated from 28<sup>th</sup> September, 2022 to 12<sup>th</sup> October, 2022. The inauguration of Hindi Pakhwada took place on 28<sup>th</sup> September 2022, in the presence of all officers and staff of ASRB. Dr Shiv Prasad Kimothi, Member of ASRB, presided over the event. In his address, he emphasized the importance of promoting the progressive use of Hindi within the office to achieve the targets set in the annual official language program 2022-23. The meeting was also attended by Member (PS) and Member (NRM).

During the Hindi Pakhwada, four competitions were organized, focusing on various aspects of Hindi usage, including Essay Writing, Noting & Drafting, Poem Recitation, and Anecdote Writing based on photographs. A total of 43 employees participated in these competitions.

The valedictory function took place on 12<sup>th</sup> October 2022, where the Dr Shiv Prasad Kimothi, Member of ASRB, presided over the function. He appreciated the successful organization of Hindi Pakhwada. Cash prizes and certificates were awarded to the winners of the different events during the ceremony.

## Appendix VIII

## List of Institutes for which Departmental Promotion Committees for Technical Cadre Posts (2022-23) were constituted by ASRB

S.No.	Institute Name	No. of Committees
<b>I.</b>	<b>AGRICULTURAL EDUCATION</b>	
1.	ICAR-Central Institute for Women in Agriculture	1
<b>II.</b>	<b>AGRICULTURAL ENGINEERING</b>	
2.	ICAR-Central Institute of Agricultural Engineering	2
3.	ICAR-Central Institute of Post-Harvest Engineering & Technology	2
4.	ICAR-Indian Institute of Natural Resins and Gums	1
5.	ICAR-National Institute of Natural Fibres Engineering & Technology	1
6.	ICAR-Central Institute of Post Harvest Engineering & Technology	1
<b>III.</b>	<b>ANIMAL SCIENCES</b>	
7.	ICAR-Central Avian Research Institute	1
8.	ICAR-Central Institute for Research on Buffaloes	1
9.	ICAR-Central Institute for Research on Cattle	1
10.	ICAR-Central Institute for Research on Goats	1
11.	ICAR-Directorate of Poultry Research	2
12.	ICAR-National Dairy Research Institute	1
13.	ICAR-National Institute of Animal Nutrition & Physiology	1
14.	ICAR-National Research Centre for Equines	2
15.	ICAR-National Research Centre on Camel	1
16.	ICAR-National Research Centre on Mithun	1
17.	ICAR-National Research Centre on Pig	1
18.	ICAR-National Research Centre on Yak	1
<b>IV.</b>	<b>CROP SCIENCES</b>	
19.	ICAR- Indian Institute of Millets Research	3
20.	ICAR-Central Institute for Cotton Research	1
21.	ICAR-Central Research Institute for Jute & Allied Fibres	1
22.	ICAR-Central Tobacco Research Institute	1
23.	ICAR-Directorate of Rapeseed Mustard Research	1
24.	ICAR-Indian Agricultural Research Institute	2
25.	ICAR-Indian Grassland & Fodder Research Institute	1
26.	ICAR-Indian Institute of Oilseeds Research	1
27.	ICAR-Indian Institute of Pulses Research	1
28.	ICAR-Indian Institute of Soybean Research	1
29.	ICAR-Indian Institute of Sugarcane Research	1
30.	ICAR-Indian Institute of Wheat and Barley Research	1

S.No.	Institute Name	No. of Committees
31.	ICAR-National Bureau of Agricultural Insect Resources	1
32.	ICAR-National Bureau of Agriculturally Important Microorganisms	1
33.	ICAR-National Rice Research Institute	1
34.	ICAR-National Bureau of Plant Genetic Resources	1
35.	ICAR-Sugarcane Breeding Institute	1
36.	ICAR-Vivekananda Parvatiya Krishi Anusandhan Sansthan	3
<b>V.</b>	<b>FISHERIES SCIENCE</b>	
37.	ICAR-Central Inland Fisheries Research Institute	2
38.	ICAR-Central Institute of Brackishwater Aquaculture	2
39.	ICAR-Central Institute of Fisheries Education	2
40.	ICAR-National Bureau of Fish Genetic Resources	3
41.	ICAR-Central Institute of Fisheries Technology	1
<b>VI.</b>	<b>HORTICULTURAL SCIENCE</b>	
42.	ICAR-National Research Centre on Seed Spices	2
43.	ICAR-Central Citrus Research Institute	1
44.	ICAR-Central Institute of Temperate Horticulture	2
45.	ICAR-Central Plantation Crops Research Institute	2
46.	ICAR-Central Tuber Crops Research Institute	1
47.	ICAR-Directorate of Cashew Research	2
48.	ICAR-Directorate of Mushroom Research	2
49.	ICAR-Directorate of Onion and Garlic Research	2
50.	ICAR-Indian Institute of Vegetable Research	2
51.	ICAR-National Research Centre for Banana	2
52.	ICAR-National Research Centre on Pomegranate	1
53.	ICAR-Central Institute for Arid Horticulture	1
<b>VII.</b>	<b>NATURAL RESOURCE MANAGEMENT</b>	
54.	ICAR Research Complex for Eastern Region	2
55.	ICAR-Central Agroforestry Research Institute	1
56.	ICAR-Central Coastal Agricultural Research Institute	1
57.	ICAR-Indian Institute of Soil Science	4
58.	ICAR-RC for NEH Region, Umiam	1
59.	ICAR-National Bureau of Soil Survey and Land Use Planning	1
60.	ICAR-Indian Institute of Water Management	1
61.	<b>ICAR Hqrs, New Delhi</b>	3
