

### Usage of NAAS RATINGS

For the year 2018-19 for the purpose of assessment under revised Career Advancement Scheme for the promotion from the position of Senior Scientist to the position of Principal Scientist, it has been decided by the Board that :-

- (a) NAAS rating of 2012 will be used for evaluation of publications of those Senior Scientists, whose assessment period is upto 31.03.2016, and
- (b) Those Scientists, whose assessment period is beyond 01.04.2016 their publications will be evaluated under NAAS rating of 2015.
